Notes from 8/18/2025 Board Meeting

President's report: Website update is in progress. We will use Strip for auto deposits and payments.

Vice President's report:

Installation of the new generator is complete, and inspection is scheduled for 9/12. (See pictures below.)

Treasurer Report:

Accounts were reviewed and in order with prudent reserve.

House Committee:

Phase 1 of the renovation is underway. The exterior piping is ok. The interior piping is being replaced, which necessitated the cutting of trenches in the concrete floor. (See pictures below.)

Any change orders will be approved by Kevin N., Vice Pres, and Michael M., Treas

Membership Committee Report:

Andre requests that members check their status as paid-up members. We are updating our membership now.

Social Committee Report:

The new website is being reviewed and edited as necessary.

Newsletter:

The September Newsletter is coming out early to inform members of the renovation's progress.

New Business:

The board voted unanimously to rent a trailer with 4 toilets during the construction closing supplemented by a handicapped accessible Porta-Potti.
