You Are Never Alone

January 2026

A note from the President:

Happy New Year, everyone! I hope your Holidays have been sober, happy, joyous, and free. I hope you are enjoying the renovation and the way we managed it.

From the Board:

Happy New Year. This has been a year of progress for our community and our clubhouse. Thank you for your support, trust and patience during the renovation process. The main meeting room will have the same tile flooring installed as the entrance. We plan on having done by early May.
